These senators added an amendment (**the Takubo Amendment**) to HB 2007 — the bill proposed to **protect** vulnerable, confused and manipulated children from “gender-affirming” mutilation surgeries and irreversible physical and emotional damaging hormonal treatments.

This amendment, demanded by Senator Takubo who is employed by West Virginia University Health System as its executive vice president of **provider relations**, will permit the continuing of puberty blockers being given to children at WVU Medicine.

Senators who approved are: Barrett, Blair, Boley, Caputo, Clements, Deeds, Hamilton, Hunt, Maroney, Nelson, Oliverio, Plymale, Queen, Stover, Swope, Takubo, Trump, Weld, Woelfel, and Woodrum.

Who are the Winners? “Follow the money” to find out.

Who are the Losers? Check back with these kids in a couple years.
